Y2 AUTUMN 1

HOME LEARNING GRID

1

English / DT:

Can you use honey as an ingredient in a bake/meal? Can you write the instructions to make your chosen bake/meal?

2

Maths:

Can you use your knowledge of counting in 2s, 5s and 10s to practise your 2, 5 and 10 times tables?
Hit the Button Game

3

Science:

Can you go on a minibeats hunt at home? You could record what you find by taking photos or even drawing the minibeasts!
Minibeast Hunt

4

Reading:

Can you read your school reading books at home? Repetition builds fluency so the more times you can read them the better.

5

Spelling:

Can you practise the weekly spellings set on Google Classroom? Use the spelling strategies document for fun ways to learn them at home.

6

Art and Design:

Can you make a model of your favourite minibeast?
Minibeast Craft Ideas

We would love to see your completed home learning! House points will be rewarded! 🙂
