Y5/6 Homework

Spring 1 half-term <u>expected</u> weekly homework

- Read at least 5 times each week
- Learn your spellings. 'Look, cover, write, check'.
- Revise times tables on Timetable Rock stars.

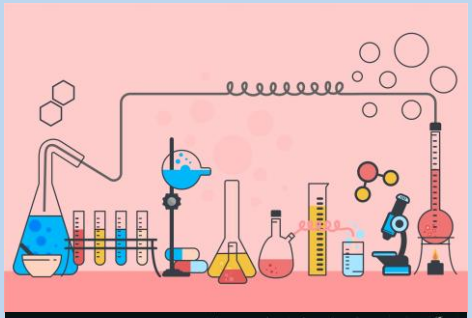
- Find out if your family owns any objects that contain gold or another precious metal or gemstone.
- Write a fact sheet about the properties and common uses of one or more of these precious elements.

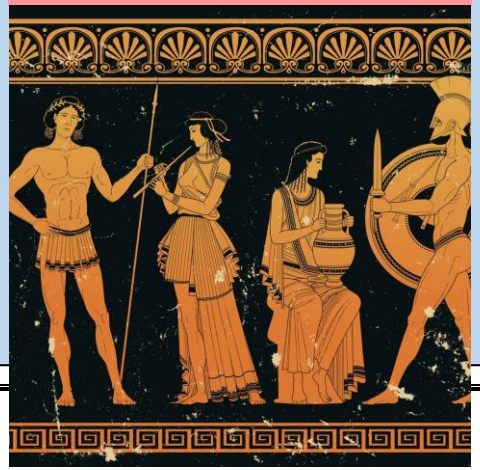
Find out about the life and works of famous chemists in history.

Write a short biography of a chemist who sparks your interest, such as Marie Curie or Robert Boyle.

Optional homework tasks

You can choose to complete any of the optional homework tasks outlined on this sheet.





Research popular children's stories that feature portals into other worlds. Draw a picture of your favourite portal from one of the stories and surround it with descriptive phrases.

See if you can find out about one of the Ancient Greek Myths – these were tales of Gods and Goddesses and remarkable events.

Can you turn one into a short cartoon/comic with just a few pictures and captions?

Make a list of foods that change state when heated or cooled, such as eggs, water, butter and chocolate. Plan and make a dish for your family that includes foods from your list.

- Can you do some research about The Parthenon of Ancient Greece? What did it look like? Who went there? What happened there? How old is it?
